SIMEON MAPLES

Records from the 1850's and the 1860's show that several Maples married and lived in Mobile County, Alabama. At this time we have been unable to make any connections on how they are all related. These Maples included Mary; Rebecca; Washington; Elisha; Elijah; and Simeon. It is possible that they were all brothers and sisters or cousins.

Dear Ruff:

Here is the deed you requested, together with your
old deeds and plats.

I believe this is what you want, it conveys the lower
end of Lot 7 and the east half of Lot 10 to Howard and reserves
in you and Mrs. Maples a life estate as long as either of you
life.

Sincerely yours,

From

Pascagoula, Miss.,

To

W. Calvin Wells, District Attorney for Mississippi,
The Federal Land Bank of New Orleans,
Jackson, Miss.,

Dear Sir:

You will please find enclosed postage prepaid the abstract of title to the land of Henry Maples, whose post office address is Orange Grove Miss and who is a member of the Pascagoula National Farm Loan Association of Pascagoula Miss on which I have signed the attorney's first certificate on the inside of the binder, and have also shown on the back of the binder whether the taxes for the last six years have been paid or not.

You will please find below a selective index showing separately the conveyances constituting owners title to said land. I am using one sheet of this paper for each forty acres or fraction thereof showing the conveyances in the order in which they became operative which is not necessarily that in which they became recorded. You will notice that I have NOT on this sheet indexed liens of any kind except where title is traced through a sale under such lien. On each of these sheets for each forty acres abstracted I have shown the chain of title on which owner relies and then have written below such chain across the page the words "Adverse Conveyances" and under such title, have indexed all other conveyances applicable to said forty acre tract.

ORIGINAL ENTRIES FROM UNITED STATES GOVERNMENT.

(N. B.) It is necessary that the original patents covering all land abstracted in this abstract be actually of record in the records of deeds of the counties in which land is situated. It is not sufficient that the tract book show such sale to purchaser. If such patent is not actually of record, then either the original patent, if undelivered, or a photographic copy, if delivered, must be obtained from the Commissioner of the General Land Office, Washington, D. C., and can be obtained at small expense, and placed of record on the record of deeds of the county where land is situated.

If the land was conveyed by the United States to the State of Mississippi, then reference to the authority for the transfer from the United States to the State of Mississippi must be given by reference to the Act of Congress.

If land traces from Spanish land grants, full and complete information as to such grants, as can be given must be fully set forth.

ALL MALE PERSONS OVER THE AGE OF EIGHTEEN YEARS AND UNDER THE AGE OF FIFTY YEARS not blind nor deaf and dumb nor otherwise disabled by disease or loss of limb and not an ordained minister of gospel in charge of churches, rabbi and priests, shall be liable to work on the public roads; but a person shall not be required to work on the road more than ten days in any one year, unless in cases herein-after provided for; and eight hours constant, diligent labor shall constitute a day's work upon the roads, and a suitable deduction shall be made for what the time of labor falls short of this number of hours, either from absence or illness. ANY PERSON SUMMONED TO WORK ON ROAD AND FAILING TO PERFORM THE SERVICE REQUIRED OR PAY THE COMMUTATION TAX OF \$5.00 IN LIEU THEREOF IS GUILTY OF A MISDEMEANOR, and shall be fined Two Dollars for each day's failure to work the road to which he is assigned, and all costs of prosecution.

TAX-COLLECTOR will proceed to make affidavit and get warrant for arrest of all delinquent road hands immediately after expiration of day on which they are cited to appear and work roads.

WHARF, Ala., May 5.—
and hearty and surrounded by her
children, grandchildren and great-grand-
children, some of whom have reached
maturity, Mrs. Ellen Nicolich, said to be
the oldest living woman in Baldwin
county, this week celebrated her 93rd
birthday anniversary at the home of one
of her grandsons, Gus Dade, at Battles.
In addition to the large family connec-
tion of Mrs. Nicolich, which extends to
all parts of Baldwin, many of her friends,
both old and young, called during the day
to extend congratulations and to see the
wonderful birthday cake with its 93 light-
ed tapers.

Mrs. Nicolich entertained these friends
with stories of other birthdays in the
early history of Baldwin, and declared
that she felt as well as she did years be-
fore. Her memory of events of the past
is clear, and the only infirmity which old
age has brought to her is her slightly
failing eyesight.

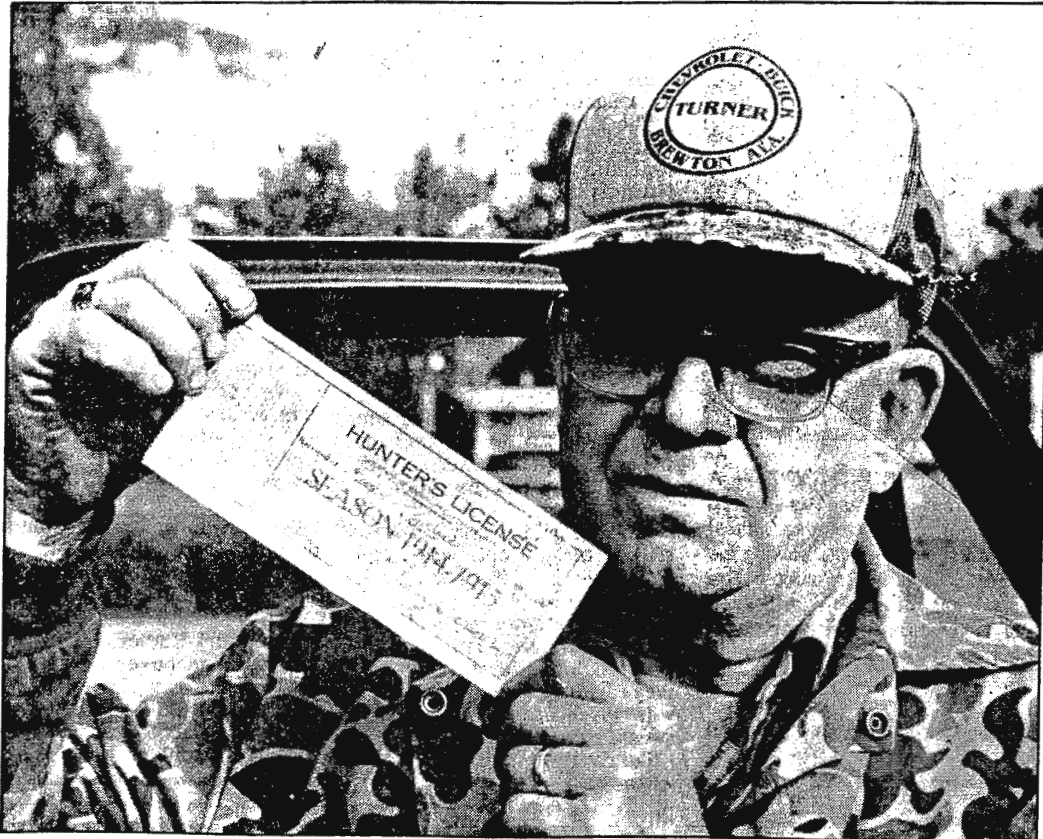

Mrs. Nicolich for a number of years
has made her home with her son, Gus
Dade, and is a familiar figure about the
flower gardens and big kennels, in which
she takes an active interest. On the
day of the birthday party the Dade home
had been transformed into a bower of
flowers, people from all over Baldwin
sending their remembrances. Miss Grace
Hutchings entertained the guests with a
recitation, and Miss Ellen May Nelson,
accompanying herself on the guitar, sang
a number of old fashioned songs and
plantation melodies. No one was brighter
and livelier than the old lady in whose
honor the party was given.

House honors Darwin Maples

JACKSON, Miss. (AP) — Retired Circuit Judge Darwin M. Maples was honored Wednesday by the House for his 28½ years on the bench and distinguished legal career.

Maples, 67, retired from the bench in 1991. Maples also served as a county prosecutor and public defender in his native George County.

His brother, Rep. Percy Maples, R-Lucedale, has been a member of the House for 11 years.

A resolution honoring Maples passed 122-0. It now goes to the Senate.

Former Gov. William Winter, who served in the House with Maples from 1952-56, said while a judge, Maples was "considered one of the most enlightened judges sitting on the bench in this state."

Maples said during the four years he was in the House, the Legislature enacted the state retirement system in 1953 and the education reform act, from which came the minimum education program.

The resolution is House Concurrent Resolution 118.
